# book bank

Help bring books to children who have few. Donate new and gently-used books for children aged 0 to 8 to Calgary Reads.

**Because** more books in homes means better reading scores at school **and** more children who will grow to love reading! In collaboration with the **Calgary Food Bank**, we'll get books into the hands of children who would love to own their very own!

**TO DONATE:** Please keep in mind that the books you are giving will become another child's treasure. Only give books that are of high quality and in very good condition (either new or like new). We cannot accept books that are tattered, scribbled on, written in, or missing covers. Thank you!
